

# DEPARTMENT A – SCHOOL ART

Superintendent: Holly Holevinski

## GENERAL RULES

1. Articles exhibited must be the work of the exhibitor, and it must be the work made in the previous school year.
2. The theme is the student's choice. Matting is not necessary, but is strongly suggested if you wish to further protect the work.
3. This year there will be an area marked as a SENIOR EXHIBIT where special works will be displayed and handled as a professional piece of artwork. This will give the work more protection from the usual fair atmosphere.
4. **EACH ENTRY MUST** have the provided name tag on the front of the piece including the whole name of the student, his grade level, the school, and the category in which he is entering. Any entry without this information will NOT be included in the judging.
5. Prizes will be awarded by media classification (below), and determined by the judge as all work that is ABOVE AVERAGE in talent for that grade level. However, due to the amount of work entered in the past, only one prize per student in each media classification can be awarded. \*Exceptions can be made by the decision of the judge in this area.
6. Individuals may submit articles for judging no later than **JULY 1** by contacting Holly Holevinski thru the Fair office 585-367-3370
7. **SPECIAL NOTE:** Any Art work removed from exhibit hall by exhibitors will **NOT** receive premiums.
